- 23 supplementing projects approved by the general assembly from
- 24 gifts or other available funds so long as approval for the

9 students. If no part of the cost of the repair and rehabilitation
10 project is paid by state appropriated funds or by mandatory
11 student fees assessed all students, the review and approval
12 requirements of this subdivision apply only if the project
13 exceeds one million dollars (\$1,000,000).
